Admiral Stansfield Turner
Director, Central Intelligence
Agency
Washington, D. C. 20505

Dear Admiral Turner:

I have enclosed a cover commemorating the commissioning of the USS HORNE and would be honored to have you, as the first commanding officer of that ship, autograph it for me. For your convenience I have also included an envelope for its return.

I would also like to obtain the autograph of Mrs. Frederick J. Horne, the ship's sponsor. I was wondering if you could tell me if she is still living, and, if so, where I might write to her. Any help would be appreciated.

Thank you very much.

With best wishes, I am

Sincerely,

S. Dale Hargrave
